

VCFA Portal: Add a link to your program portal

Click on the page your advisor has indicated where you will be uploading your files.

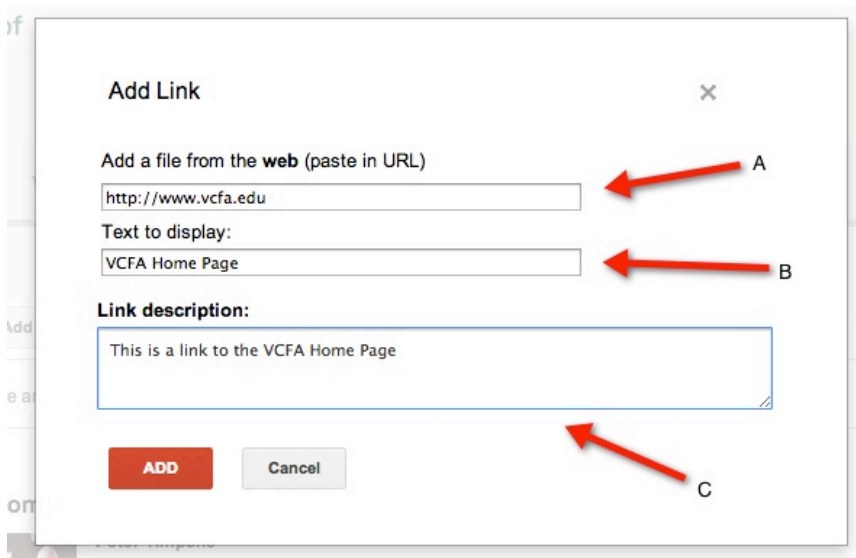

Toward the top of this page you will see a row of buttons

To add your link click on the '+ Add link' button

A new window will open where will enter the link (A) give it a title (B) and a short description (C)

When you are done click the 'Add' button. Your link will appear under the row of buttons.
